

## 3's Program, Part-time Preschool 2 or 3 mornings per week

Our Part-time Preschool 3's Program uses a developmental, play-based approach to hands-on-learning. Children are encouraged through personal and group interaction to develop social, emotional, and problem-solving skills. Our program encourages children to become autonomous explorers with an active curiosity in a fun and engaging environment. This program is held either Mon/Wed/Fri or Tues/Thurs 9am-noon. Extended care is available until 2pm daily.

9:00 - 9:15am Welcome
