

4's Program, Part-time Preschool 5 mornings per week

Our 5 day 4's program treats children as unique individuals and helps develop their social, emotional, and academic skills. Our hands-on approach allows each child to explore and develop through curriculum that uses literature, music, dramatic play, math, science, phonemic awareness, pre-reading skills, field trips, and cooking. This program is 9am-noon, Monday through Friday.

- 9:00 - 9:10 Gathering circle
- 9:10 - 10:45 **Teacher directed centers:** art, cooking, science, math, phonemic development, pre-reading skills, writing
