

## Infant/Toddler Program

Our Infant/Toddler Program provides a caring, home-like environment and encourages children to explore and socialize. Our youngest children learn and grow through play in a safe and loving environment. This program is held Monday through Friday 9am-2pm and you can enroll 1, 2, or 3 days per week. It is for children who are 5 months old through 2 years old. Children who turn 2 mid-year graduate to the Intro to Preschool program.
